You who take Me seriously, beware, beware of My love for all, all, all My body and reflect My all, and divisive not be; building containers of hate-laden rules and worshipping/proclaiming them as truth/My truth, when truth is freedom and many are bondaged by your insolence, thinking it religion.

I will use people like slaves and pay them minimally. I will pervert justice and the way of the north I will tread in justice. I will emaciate many and destitute make of all I can, while lifting my head; prestige, prominence, position, above/among all I can; preeminent become, in the name of the Lord, in the name of God, in the name of the church, in the name of mammon, in the name of good causes deemed good."
